Objective

Goal-driven individual with over 6 years of diverse customer care experience in direct sales, retail, and healthcare. Continuously seeks opportunities to enhance and evolve skill set, whether through collaborative teamwork or independently devising innovative solutions to challenges.

Work Experience

Registered Behavior Technician

June 2024 - Present

I Rock Behavior

- Promoted positive behavior change by utilizing reinforcement strategies, token economies, and behavior contracts.
- Improved client behavior by implementing individualized ABA therapy plans and tracking progress.
- Observed, monitored and recorded problem behaviors through accurate behavior-consequence data collection, graphs, and anecdotal notes.
- Managed crisis situations with professionalism, ensuring the safety of all individuals involved while adhering to established protocols.

Sales Representative

June 2023 - June 2024

Cenntro Automotive Corporation

- Identified and developed customer networks in my region, researching and qualifying new leads.
- Developed and maintained knowledge of Cenntro product offerings, and general aftermarket service information.
- Organized tours/presentation of vehicles and production facility, traveling to meet customer as needed.
- Maintained current and potential customer's contact in CRM database, communicating routinely and effectively to follow up on leads.

Sales Associate

November 2022 - June 2023

illesteva

- Provided courteous and knowledgeable customer service while meeting/exceeding individual sales and key business driver goals.
- Helped maintain the store's product and visual presentation; ensuring up to date/best seller styles are always visible, assisting with floor changes, and stock replenishment.
- Developed and maintained thorough knowledge of illesteva products to better assist customers through the features, values, and benefits of the product.
- Maintained awareness and followed policies/procedures as they relate to loss prevention and safety.

Curaleaf

- Understanding sales goals, planning and executing daily/weekly workload to optimize sales and drive guest engagement.
- Motivating my team through daily huddles, informing them of daily sales goals and coaching the team on how to best achieve our goal.
- Providing consultations to new patients about their doctor recommendations, including product knowledge, guidance, and overall discussions about his/her health.
- Performed opening/closing inventory audits. Cash handling, including cashier duties and the counting of daily closing deposits.
- Experience in training new employees, and instilling onto my team the importance of diversity, inclusion, equity through continuous development, and proactively managing bias.
